The employee is always an employee of either the participant or his/her representative employer.

ARIS is contracted to help with the administrative employer responsibilities.

## ARIS assists the participant/employer by:

- Assisting with initial employer/employee paperwork

## PROGRAM INTEGRITY and FRAUD PREVENTION

Maintaining and improving program integrity is one of the most important aspects of the Veteran Directed Care Program. Program integrity including fraud prevention is critical to sustaining this program model. Participants, authorized representatives, and providers are vital to preventing fraud and maintaining program integrity.

Fraud and abuse with funds from the Veteran's Administration can cost billions of dollars each year, diverting funds that could otherwise be used for additional services or to assist more people that need care. As a participant, authorized representative, care provider or recipient of funds, you must comply with all State and Federal laws and prevent misuse or fraud of any funds within this programs. Honesty and integrity are expected of all who participate in the Veteran Directed Program. (Please refer to the New "Employer/Participant" Handbook for more detail on fraud within the Veteran Directed Care Program)

### Definition

**Fraud** is defined as **recklessly or purposefully** making false statements or representations to obtain some benefit or payment that you would not be entitled to without those statements or facts. These acts may be committed either for the person's own benefit or for the benefit of someone else. In other words, fraud includes the obtaining of something of value through misrepresentation or concealment of facts.

### *Examples of Fraud and Abuse Include*

- Submitting timesheets for services not actually provided
- Approving/authorizing hours that employees didn't actually work
- Recording more time or stating different times than you actually work
- Changing hours on a timesheet after it has been approved
- Not providing the services the participant needs
- Falsifying a worker's compensation claim
- Falsifying or misrepresentation on applications or documentation
- Billing for services while in the hospital or other care facility
- Submitting twice for the same service
- Requiring an employee to "share" their paycheck with the employer

### Results

Fraud is a felony conviction that can lead to substantial penalties, including imprisonment up to ten years, or a fine of up to \$1,000 or an amount equal to twice the amount of assistance or benefits wrongfully obtained, or both. If convicted of fraud you may be excluded for a minimum of five years from any employment with a program or facility that receives Medicaid funding.

### **REPORTING**

If you suspect or know of fraud or abuse occurring, it is your duty and responsibility to report this immediately to the Area Agency on Aging and the Veteran's Administration. Or call ARIS Solutions at 866.970.3301 and the proper people will be contacted.

## Background Checks Exclusions

1. A misdemeanor conviction against any individual that involves:

  - b. Violence or exploitation;
  - c. Child pornography;
  - d. Threatening or reckless conduct;

## HIPAA EMPLOYEE CONFIDENTIALITY PRIVACY INFORMATION AND AGREEMENT

### SUMMARY OF HIPAA PRIVACY RULES FOR EMPLOYEES

The Department of Health and Human Services has adopted privacy regulations under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). These "Privacy Rules" require most doctors, hospitals and health insurers ("Covered Entities") to develop procedures to limit the use and disclosure of patients' protected health information ("PHI") as well as notify patients of their rights with respect to such information.

In order to comply with the Privacy Rules, each Covered Entity must develop and implement its own privacy policy and procedures for the protection of PHI by April 14, 2003. However, in many ways, these policies will simply reflect the "best practices" for patient privacy and confidentiality with which all health care workers should already be familiar.

### **Privacy of Patient Information**

Although temporary personnel are likely to encounter some variations among privacy policies at different Covered Entities, all the policies should permit them (with a few exceptions) to:

- Disclose PHI to the patient himself (or to a child's parent or guardian).
- PHI may also be disclosed to a person involved in the patient's care, such as an elderly patient's adult child or friend who is acting as interpreter, as long as the patient doesn't object.
- There are few exceptions, such as psychotherapy notes in some states.
- Disclose PHI in accordance with a written patient authorization.
- Use or disclose PHI for purposes of treatment, payment or health care operations.
- **Treatment purposes:** **There are no restrictions on disclosures of PHI for purposes of treating a patient.** Medical staff may freely discuss a patient's treatment among themselves.
- **Other Purposes:** However, disclosures of PHI for purposes of obtaining payment or for administering health care operations should be limited to the "minimum necessary" to accomplish the purpose. For example, although a hospital's billing office may inform a collection agency that "Patient X owes \$Y to Doctor Z", it may not disclose the nature of treatment Patient X received.
- Disclose "general directory information" about the patient.
  - A hospital may provide general information about a patient's status (excluding specific medical information) to telephone callers.
- Disclose PHI as required by law, or regarding potential victims of abuse, neglect or domestic violence, or to avoid a serious threat to health or safety.
  - For example, a hospital may respond to a police inquiry by disclosing that is treated a patient for a gunshot wound, and a doctor or nurse may report an abused child to the proper authorities.

**If you are asked to make any disclosures which violate these guidelines, or which do not seem to you like professional "best practices", you should contact ARIS Solutions/VDC Program.**

(However, you should be aware that reasonably unavoidable disclosures which are "incidental" to permitted uses of PHI do not violate the Privacy Rules. For example, a hospital does not violate the Privacy Rules if a visitor improperly removes a covered or inward-facing patient chart from its holder and reads it, and a pharmacist may discreetly discuss a prescription with a customer at the pharmacy counter, even though other customers might overhear).

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

## General Instructions

Section references are to the Internal Revenue Code.

### Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to [www.irs.gov/FormW4](http://www.irs.gov/FormW4).

### Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

**Exemption from withholding.** You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 **and** you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

**Your privacy.** Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

**When to use the estimator.** Consider using the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) if you:

1. Expect to work only part of the year;
2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
3. Prefer the most accurate withholding for multiple job situations.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## Specific Instructions

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

**Step 3.** This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

### Step 4 (optional).

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

**Step 2(b) – Multiple Jobs Worksheet** *(Keep for your records.)*

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App).

- 1 **Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 . . . . . **1** \$ \_\_\_\_\_
  
- 2 **Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
  - a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a . . . . . **2a** \$ \_\_\_\_\_
  - b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b . . . . . **2b** \$ \_\_\_\_\_
  - c Add the amounts from lines 2a and 2b and enter the result on line 2c . . . . . **2c** \$ \_\_\_\_\_
  
- 3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. . . . . **3** \_\_\_\_\_
  
- 4 **Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in **Step 4(c)** of Form W-4 for the highest paying job (along with any other additional amount you want withheld) . . . . . **4** \$ \_\_\_\_\_

**Step 4(b) – Deductions Worksheet** *(Keep for your records.)*

- 1 Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income . . . . . **1** \$ \_\_\_\_\_
  
- 2 Enter: 

{	• \$29,200 if you're married filing jointly or a qualifying surviving spouse	}	. . . . .	<b>2</b>	\$ _____
	• \$21,900 if you're head of household				
	• \$14,600 if you're single or married filing separately				

 . . . . .
  
- 3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-" . . . . . **3** \$ \_\_\_\_\_
  
- 4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information . . . . . **4** \$ \_\_\_\_\_
  
- 5 **Add** lines 3 and 4. Enter the result here and in **Step 4(b)** of Form W-4 . . . . . **5** \$ \_\_\_\_\_

## Employee Instructions

Due to changes in federal tax laws, the current federal Form W-4 should not be used for the calculation of Montana income tax withholding.

This new Form MW-4 replaces the federal form for Montana employees.

Employees who already claimed allowances in previous years do not have to submit this form unless they are claiming an exemption from withholding in Section 2.

### Should I complete Form MW-4?

Complete Form MW-4 and provide to your employer, if you:

- are a newly hired employee, or
- claim to be exempt from Montana income tax withholding. *See Section 2 instructions.*

Consider completing a new Form MW-4 if your personal or financial situation changes. If you have not had sufficient income tax withheld from your wages, interest and/or penalties may be assessed when you file your individual income tax return.

### Section 1: Montana Allowances

Complete this section to determine the number of withholding allowances to claim. Withholding on your wages is required unless you can claim an exemption from Montana withholding. *See Section 2 instructions.*

**C. Spouse** – If you are married and planning to file your Montana income tax return jointly with your spouse, add an allowance to reduce the amount of withholding.

In general, employees with a working spouse file their Montana return separately to lower their tax liability. If you are planning to file separately, enter zero on this line.

**E. Head of household.** – Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50 percent of the cost of keeping up a home for yourself and your dependent(s) or other qualifying individuals.

**F. Itemized deductions.** – If your income mainly consists of wages or pensions, and you expect to report large itemized deductions, you may consider adding an additional allowance. Adding an allowance will reduce the amount of tax withheld. Caution: If you do not withhold enough to cover your income tax obligation, you may owe taxes and interest when you file your return. See Montana Publication 1 for more information.

**H. Additional amount withheld.** – You may request to have an additional amount of taxes withheld from your paycheck on Line H. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments.

If you receive pensions or annuities, you may ask the payer to withhold a flat amount that you report on this line.

### Section 2: Exemption from Montana Withholding

You must meet one of the following requirements to claim exemption:

- You are an enrolled member of an American Indian tribe living and working on the reservation of which you are an enrolled member. You must also complete Section 1 because your exemption may not cover all the wages you earned in Montana.
- You are a member of the Montana National Guard and are receiving pay or for active duty in the U.S. military under USC Title 10 orders. You must also complete Section 1 because your exemption only applies to your pay derived from your USC Title 10 orders.
- Your wages are exempt from withholding because you are a resident of North Dakota. This exemption is available for residents of North Dakota because of the reciprocity agreement in place between North Dakota and Montana.
- You are the spouse of a military member assigned to duty in Montana, you and your spouse are domiciled in another state (the same state as one another) and you are present in Montana solely to be with your spouse.

**To claim an exemption, give this form to your employer upon the start of your employment, or as soon as you qualify for an exemption.** If it remains applicable, your exemption needs to be renewed before the beginning of the next year. Provide a new Form MW-4 to your employer each year or your employer will begin withholding. Do not forget to indicate the year.

Montana does not recognize the federal exempt status available on the federal Form W-4. Therefore, exemption from withholding for federal purposes does not exempt you from Montana income tax withholding.

An exemption from withholding is available only if the entire statement you checked in Section 2 is true. If your situation changes, and your exemption is no longer valid, you must provide a new Form MW-4 to your employer with Section 1 completed.

If you claim one of the exemptions from withholding, an electronic copy of this form will be filed by your employer with the Department of Revenue.

**An exemption from withholding is not an automatic exemption from filing a Montana income tax return.**

See Montana Individual Income Tax Return (Form 2) instructions for more guidance.

Employer instructions are on the next page.

## Employer Instructions

Montana wage withholding is required when wages are earned in Montana. Employers are liable for Montana withholding taxes and are only relieved of that liability once they have withheld the correct amount of taxes from the employees' wages for a given pay period.

### Should my employee complete Form MW-4?

Your employee must complete Form MW-4 if one or both of the following applies:

- They are a newly hired employee, or
- They are claiming to be exempt from Montana income tax withholding. See *Section 2 instructions*.

Employees should also consider completing a new Form MW-4 if their personal or financial situation changes.

Your employee is not required to complete Form MW-4 if they are already employed and are not claiming exemption from Montana income tax withholding.

### Do I need to file Form MW-4 with the department?

You must file your employee's Form MW-4 with the Department of Revenue *only* if one or both of the following applies:

- The employee is claiming more than 10 allowances, or
- The employee is claiming one of the withholding exemptions listed in Section 2.

If an employee provides you with a Form MW-4 that meets one or both of the conditions above, you must submit this form to the department by the *last day of the payroll period* in which the form was received.

File online using the department's TransAction Portal (TAP) at <https://tap.dor.mt.gov>. Simply click on "File Form MW-4." For more information about this process, visit [revenue.mt.gov](https://revenue.mt.gov).

Do not mail the Form MW-4 to the department.

You should keep a copy of all Forms MW-4 you receive from your employees with your records.

### How should I determine Montana withholding for an employee that doesn't complete Form MW-4?

Withhold Montana tax as if the employee is single with zero withholding allowances.

### Why must an employee complete Section 1 when claiming exemption 2(a) or 2(b)?

If an exemption is claimed under Section 2(a) or 2(b), you must withhold taxes on any wages paid that do not meet the requirements of these exemptions.

*Example:* If (a) is marked, the exemption does not apply to wages earned from an enrolled member of a tribe, residing on his or her reservation, when the work is performed outside the reservation. Withholding is required on the wages derived from work performed outside the reservation, based on the number of allowances reported in Section 1. If Section 1 was not completed, the withholding is calculated using zero allowances until a new Form MW-4 is provided for the calculation of the withholding.

### Invalid Forms MW-4

The following situations make the Form MW-4 invalid:

- The form is incomplete or lacks the necessary signatures, or
- The employer information is incomplete when the Form MW-4 is filed with the department.

If, after a review of the Form MW-4, the department revises the number of allowances allowed for the employee or disallows an exemption claimed, you must withhold based on that determination for the remainder of the calendar year, unless:

- The employee subsequently files a new Form MW-4 with fewer than 11 allowances, or
- The department changes its initial determination based on justifications provided by the employee.

### Questions?

Go to [revenue.mt.gov](https://revenue.mt.gov) for more information about the Form MW-4, or call our help line at (406) 444-6900.

## Veteran Directed Care Program

### **ATTENTION ALL EMPLOYEES, EMPLOYERS, AND AGENCIES**

ARIS Solutions' Veteran Directed Care Program utilizes a submission platform on our website as one means for timesheet submission. We felt it may be helpful to provide clarifying information to address some of the questions we have received.

- **The web address to access the new portal is:**  
[arissolutions.org/submit-timesheet](http://arissolutions.org/submit-timesheet)
- **This change is only applicable to those who had been submitting timesheets via email.** Those who send in timesheets via fax, USPS, or via e-timesheets may continue.
- **The portal is for timesheet submissions only.** Please continue to send invoices, packets, and general correspondence through the email address.
- **Submissions may be made by either the employer or the employee.**
- **All timesheet submissions must be entered under the name of the employee.** Entries may not be entered under the name of the employer or veteran.
- **Please send only one timesheet per submission.**
- **Each submission should include a timesheet for only one employee.** Submissions containing multiple employees are not permissible.
- **There will be no email confirmation.** Instead of an email, a unique code will appear on your screen once a timesheet has been successfully submitted.
- **The new timesheet portal requires a pass code, but not a log-in.** If you have been asked for log-in information, then you have likely arrived at our electronic timesheet option. If you are interested in enrolling in e-timesheets, please reach out to veteran payroll customer service for assistance.

Then, enter your first and last name and upload the timesheet file. You will receive a unique submission number for that timesheet. Record this number. If you are unsure if the file was successfully submitted, we can be reached at 1.866.970.3301.

## Electronic Timesheets Agreement

### I. About The Electronic Timesheets Module

- a. The Electronic Timesheets Module is a web-based interface through which Consumers, Employers, Employees, and Fiscal Intermediary staff can respectively view relevant timesheet information.
- b. Consumers, Employers and Employees will be able to use the system to both submit and approve timesheets electronically for payment by the Fiscal Intermediary.
- c. A Consumer is not required to have an Employer in order to use the system. But in cases where a Consumer does have an Employer and the Consumer approves the Employer to have access to the Electronic Timesheets Submission Interface, both the Consumer and his/her Employer will have identical abilities to enter and approve timesheets for payment. If the Consumer does not feel comfortable with the electronic interface, the Employer has the ability to handle all of the Consumer’s timesheet submission and approval responsibilities.

### II. Terms and Conditions

*By signing below, you are agreeing to the following Terms and Conditions:*

- a. The Consumer and/or his/her Employer and the Employee must have valid e-mail addresses that they access frequently.
- b. The Consumer, his/her Employer (if applicable) and the Employee agree to use the Electronic Timesheets Submission Interface as a method of submitting timesheets.
  - i. Signing this Agreement does not require you to only use the Electronic Timesheets Submission Interface. Other methods of submitting time, such as faxing or mailing, are still acceptable.
- c. A timesheet may not be submitted electronically if the Consumer and the Employee have not both signed and agreed to use the Electronic Timesheets Submission Interface via this Agreement.
  - i. If the Consumer approves their Employer to use the system, then the Employer must also sign this Agreement.
- d. An individual Electronic Timesheets Agreement is required for each Consumer/Employee relationship that chooses to use the Electronic Timesheets Submission Interface.
  - i. This is true even if the Consumer or Employee is already using the Electronic Timesheets Submission Interface in another Consumer/Employee relationship.
