PROGRAM INTEGRITY and FRAUD PREVENTION

Maintaining and improving program integrity is one of the most important aspects of the Veteran Directed Care Program. Program integrity including fraud prevention is critical to sustaining this program model. Participants, authorized representatives, and providers are vital to preventing fraud and maintaining program integrity.

Fraud and abuse with funds from the Veteran's Administration can cost billions of dollars each year, diverting funds that could otherwise be used for additional services or to assist more people that need care. As a participant, authorized representative, care provider or recipient of funds, you must comply with all State and Federal laws and prevent misuse or fraud of any funds within this programs. Honesty and integrity are expected of all who participate in the Veteran Directed Program. (Please refer to the New "Employer/Participant" Handbook for more detail on fraud within the Veteran Directed Care Program)

Definition

Fraud is defined as **recklessly or purposefully** making false statements or representations to obtain some benefit or payment that you would not be entitled to without those statements or facts. These acts may be committed either for the person's own benefit or for the benefit of someone else. In other words, fraud includes the obtaining of something of value through misrepresentation or concealment of facts.

Examples of Fraud and Abuse Include

- Submitting timesheets for services not actually provided
- Approving/authorizing hours that employees didn't actually work
- Recording more time or stating different times than you actually work
- Changing hours on a timesheet after it has been approved
- Not providing the services the participant needs
- Falsifying a worker's compensation claim
- Falsifying or misrepresentation on applications or documentation
- Billing for services while in the hospital or other care facility
- Submitting twice for the same service
- Requiring an employee to "share" their paycheck with the employer

Results

Fraud is a felony conviction that can lead to substantial penalties, including imprisonment up to ten years, or a fine of up to \$1,000 or an amount equal to twice the amount of assistance or benefits wrongfully obtained, or both. If convicted of fraud you may be excluded for a minimum of five years from any employment with a program or facility that receives Medicaid funding.

REPORTING

If you suspect or know of fraud or abuse occurring, it is your duty and responsibility to report this immediately to the Area Agency on Aging and the Veteran's Administration. Or call ARIS Solutions at 866.970.3301 and the proper people will be contacted.

Background Checks Exclusions

Examples of Disqualifying Events as a Result of a Background Check would include:

1. A misdemeanor conviction against any individual that involves:
 - a. Physical or sexual assault;
 - b. Violence or exploitation;
 - c. Child pornography;
 - d. Threatening or reckless conduct;
 - e. Theft;
 - f. Fraud;
 - g. Driving under the influence of drugs or alcohol;
 - h. Any other conduct that represents evidence of behavior that could endanger the safety or well-being of an individual.
2. A conviction of a felony against an individual.
3. Additional factors considered in determining suitability may include, but not limited to:
 - a. Relevance of the crime to the position sought;
 - b. The nature of the work and/or activity to be performed;
 - c. Time elapsed since the conviction;
 - d. Age of the candidate at the time of the offense;
 - e. The number of offenses;
 - f. Whether the individual has pending charges;
 - g. Any relevant evidence of rehabilitation or lack thereof;

HIPAA EMPLOYEE CONFIDENTIALITY PRIVACY INFORMATION AND AGREEMENT

SUMMARY OF HIPAA PRIVACY RULES FOR EMPLOYEES

The Department of Health and Human Services has adopted privacy regulations under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). These "Privacy Rules" require most doctors, hospitals and health insurers ("Covered Entities") to develop procedures to limit the use and disclosure of patients' protected health information ("PHI") as well as notify patients of their rights with respect to such information.

In order to comply with the Privacy Rules, each Covered Entity must develop and implement its own privacy policy and procedures for the protection of PHI by April 14, 2003. However, in many ways, these policies will simply reflect the "best practices" for patient privacy and confidentiality with which all health care workers should already be familiar.

Privacy of Patient Information

Although temporary personnel are likely to encounter some variations among privacy policies at different Covered Entities, all the policies should permit them (with a few exceptions) to:

- Disclose PHI to the patient himself (or to a child's parent or guardian).
- PHI may also be disclosed to a person involved in the patient's care, such as an elderly patient's adult child or friend who is acting as interpreter, as long as the patient doesn't object.
- There are few exceptions, such as psychotherapy notes in some states.
- Disclose PHI in accordance with a written patient authorization.
- Use or disclose PHI for purposes of treatment, payment or health care operations.
- Treatment purposes: **There are no restrictions on disclosures of PHI for purposes of treating a patient.** Medical staff may freely discuss a patient's treatment among themselves.
- Other Purposes: However, disclosures of PHI for purposes of obtaining payment or for administering health care operations should be limited to the "minimum necessary" to accomplish the purpose. For example, although a hospital's billing office may inform a collection agency that "Patient X owes \$Y to Doctor Z", it may not disclose the nature of treatment Patient X received.
- Disclose "general directory information" about the patient.
 - o A hospital may provide general information about a patient's status (excluding specific medical information) to telephone callers.
- Disclose PHI as required by law, or regarding potential victims of abuse, neglect or domestic violence, or to avoid a serious threat to health or safety.
 - o For example, a hospital may respond to a police inquiry by disclosing that is treated a patient for a gunshot wound, and a doctor or nurse may report an abused child to the proper authorities.

If you are asked to make any disclosures which violate these guidelines, or which do not seem to you like professional "best practices", you should contact ARIS Solutions/VDC Program.

(However, you should be aware that reasonably unavoidable disclosures which are "incidental" to permitted uses of PHI do not violate the Privacy Rules. For example, a hospital does not violate the Privacy Rules if a visitor improperly removes a covered or inward-facing patient chart from its holder and reads it, and a pharmacist may discreetly discuss a prescription with a customer at the pharmacy counter, even though other customers might overhear).

Direct Care Worker Name:	Direct Care Last four of SSN:

Fair Labor Standards Act Live-In Exemption

The United States Department of Labor (US DOL) and Fair Labor Standards Act (FLSA) requires household employers to pay employees overtime pay for hours worked over 40 hours per work week unless the employee qualifies for an exemption. Complete this form to notify F/EA if employee qualifies for the live-in exemption from overtime pay. You may also use this form to revoke the exemption when the employee no longer qualifies for the exemption. **When there is any change in live-in status, it is the employee's responsibility to notify the F/EA.**

1. Determine if Direct Care Worker (DCW) Qualifies for the Live-In Exemption from Overtime Pay

The live-in exemption:

- Available only in programs where the Participant or their representative is the sole employer under the FLSA;
- Applies only to the employer/DCW pair based on the "Residency Test" (below); and
- Applies to all services provided by the DCW for that Participant.

Residency Test

A live-in DCW is exempt from overtime premium pay if the DCW "...resides on the employer's premises either permanently or for extended periods of time". "Employer's premises" means the household where employed. "Permanently", or "...extended periods of time" means the DCW lives, works, and sleeps in the household where employed for at least five (5) days a week (120 hours) or more.

2. Certify the DCW's Eligibility for the Live-In Exemption from Overtime Pay

Please check one box below to identify whether the DCW qualifies for the live-in exemption.

- ☐ Yes, the DCW qualifies for the live-in exemption.
- ☐ No, the DCW does NOT qualify for the live-in exemption.

If the DCW qualifies for the live-in exemption:

- All hours, including overtime (over 40 hours per work week), will be paid at regular rates for all services provided

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.
Give Form W-4 to your employer.
Your withholding is subject to review by the IRS.

OMB No. 1545-0074

2026

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
	City or town, state, and ZIP code		
	(c) ☐ Single or Married filing separately ☐ Married filing jointly or Qualifying surviving spouse ☐ Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

Caution: To claim certain credits or deductions on your tax return, you (and/or your spouse if married filing jointly) are required to have a social security number valid for employment. See page 2 for more information.

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if you: are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2:
Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than Step 2(b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, Step 2(b) is more accurate ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):			
	(a) Multiply the number of qualifying children under age 17 by \$2,200	3(a) \$		
	(b) Multiply the number of other dependents by \$500	3(b) \$		
	Add the amounts from Steps 3(a) and 3(b), plus the amount for other credits. Enter the total here		3	\$

Step 4: Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$
	(b) Deductions. Use the Deductions Worksheet on page 4 to determine the amount of deductions you may claim, which will reduce your withholding. (If you skip this line, your withholding will be based on the standard deduction.) Enter the result here	4(b)	\$
	(c) Extra withholding. Enter any additional tax you want withheld each pay period	4(c)	\$

Exempt from withholding	I claim exemption from withholding for 2026, and I certify that I meet both of the conditions for exemption for 2026. See <i>Exemption from withholding</i> on page 2. I understand I will need to submit a new Form W-4 for 2027 ☐
-------------------------	---

Step 5: Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2026 if you meet both of the following conditions: you had no federal income tax liability in 2025 **and** you expect to have no federal income tax liability in 2026. You had no federal income tax liability in 2025 if (1) your total tax on line 24 on your 2025 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2026 tax return. To claim exemption from withholding, certify that you meet both of the conditions by checking the box in the *Exempt from withholding* section. Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 16, 2027.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount of tax withheld will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain credits. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4.

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 15, if you expect to claim deductions other than the basic standard deduction on your 2026 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for qualified tips, overtime compensation, and passenger vehicle loan interest; student loan interest; IRAs; and seniors. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain deductions. For additional eligibility requirements, see Pub. 501.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe when you file your tax return.

Step 2(b) – Multiple Jobs Worksheet *(Keep for your records.)*

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 5. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____

- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
 - a** Find the amount from the appropriate table on page 5 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column.  - b** Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 5 and enter this amount on line 2b **2b** \$ _____

 - c** Add the amounts from lines 2a and 2b and enter the result on line 2c **2c** \$ _____

Employee's Withholding and Exemption Certificate Instructions

Employee Instructions

What's New

The box to indicate the tax year on line 5 was removed.

TIP: Montana's income tax system changed in 2024, and your employer may not be withholding enough tax from your paycheck. If you have not updated your wage withholding since 2023, consider submitting a new Form MW-4 to your employer.

Purpose

Complete Form MW-4 so that your employer can withhold the correct Montana income tax from your pay. You should complete the form when you:

- Start a new job.
- Claim to be exempt from Montana income tax withholding.

Consider completing a new Form MW-4 if your personal or financial situation changes. If you do not have enough income tax withheld from your wages, additional tax, interest, and penalties may be assessed when you file your individual income tax return.

You may also use the Form MW-4 to designate the amount you would like withheld from a pension, annuity, or IRA.

Line Instructions

If you do not complete your Form MW-4, your employer will withhold taxes for you using the single filing status on line 1a.

Line 1 – Federal filing status. Select the federal filing status you will use when you file your income tax return. This will determine the standard deduction and tax rates used to compute your wage withholding. If you have multiple jobs, complete the Multiple Jobs Worksheet, and report the additional amount from line 4 of the worksheet on page 1, line 3.

Line 2 – Married Filing Jointly with Both Spouses Working. If you are married filing jointly and both spouses work, and earn similar amounts, mark this box on this form and all Forms MW-4 for the other jobs. If this box is checked, the standard deduction and tax brackets will be cut in half for

each job to calculate withholding. This is roughly accurate for jobs with similar pay; otherwise more tax than necessary will be withheld.

If you or your spouse have multiple jobs, or if one spouse earns significantly more than the other, do not mark this box. Instead, mark box 1b, and complete the Multiple Jobs Worksheet on the Form MW-4 of the highest paid job. Report the additional amount to withhold on line 3 on the Form MW-4 of the highest paid job.

Line 3 – Extra withholding. You may request to have an additional amount of taxes withheld from your paycheck on this line. If you want to receive a refund of withholding on your tax return, you may enter an additional amount on this line. Complete line 1 or 2 before entering your extra withholding on this line.

TIP: If you expect to receive income outside of your employment and do not want to make estimated tax payments for that income, you may elect to have more money withheld from your paycheck.

TIP: Complete Worksheet ESW, found in our Publication 1, lines 1 through 26 to calculate the estimated amount of tax you will owe for the tax year. Divide the amount on line 26 by the number of times you receive your paycheck or payment during the year. The result is the amount of tax you should have withheld from each paycheck.

Line 4 – Specified withholding. Use this line to designate a specific amount you would like withheld from your paycheck or other payment. If you receive pensions, annuities, or IRAs you may ask the payer to withhold a flat amount that you report on this line.

You can also use this line to request that Montana income tax be withheld from your unemployment compensation if you choose. Report the amount you want the payer to withhold on this line.

If your income mainly consists of wages, and you expect to report large federal adjustments, federal itemized deductions, Montana subtractions, and/or Montana tax credits, you may direct your employer to only withhold the amount you report on this line. Your employer will not use the standard calculations for withholding. To calculate the amount needed, divide the amount of your expected tax by the number of pay periods in a year. Enter the amount to be

withheld rather than the standard calculation. Do not complete lines 1, 2, or 3. If you do not complete this line, your withholding will be calculated based on the standard calculations for your filing status.

CAUTION. If you are an employee using this line to specify an amount of wage withholding you would like your employer to withhold, completing this line may reduce the amount of tax withheld from your wages. This could result in a balance owing on your income tax return.

Line 5 – Exemptions. You must meet one of the following requirements to claim an exemption from Montana wage withholding:

- a. You are an enrolled member of an American Indian tribe living and working on the reservation of which you are an enrolled member. You must also complete line 1 or 2 because your exemption may not cover all the wages you earned in Montana.
- b. You are a member of the Montana National Guard and are receiving pay for active duty in the U.S. military under USC Title 10 orders. You must also complete line 1 or 2 because your exemption only applies to your pay derived from your USC Title 10 orders.
- c. Your wages are exempt from withholding because you are a resident of North Dakota. This exemption is available for residents of North Dakota because of the reciprocity agreement in place between North Dakota and Montana.
- d. You are the spouse of a military member assigned to duty in Montana, you and your spouse are domiciled in another state (the same state as one another) and you are present in Montana solely to be with your spouse.

To claim an exemption, give this form to your employer upon the start of your employment, or as soon as you qualify for an exemption. If it remains applicable, your exemption needs to be renewed before the beginning of the next year. Provide a new Form MW-4 to your employer each year or your employer will begin withholding.

Montana does not recognize the federal exempt status available on the federal Form W-4.

Therefore, an exemption from withholding for federal purposes does not exempt you from Montana income tax withholding.

An exemption from withholding is available only if the entire statement you marked on line 5 is true. If your situation changes, and your exemption is no longer valid, you must provide a new Form MW-4 to your employer with line 1 or 2 completed.

If you claim one of the exemptions from withholding, your employer must file an electronic copy of this form with the Department of Revenue.

An exemption from withholding is not an automatic exemption from filing a Montana income tax return. See Montana Individual Income Tax Return (Form 2) instructions for more guidance.

Thirty-Day Nonresident Worker Filing

Exclusion. There is a filing exclusion for certain nonresident employees. Nonresidents who earned only wages for services performed in Montana for 30 days or less and worked in more than one state during the tax year do not have to file a tax return or pay tax to Montana on that income. The exclusion does not apply to nonresident employees who:

- work in Montana for more than 30 days
- work only in Montana
- are professional athletes
- are entertainers
- are persons that perform services for compensation on a per-event basis
- are construction workers
- are key employees (Key employees are employees that had an annual salary of more than \$500,000 in the year preceding the current tax year.)
- are qualified production employees for the purposes of the MEDIA Credit.

If a nonresident employee does not meet the conditions above, then all income earned while working in the state is taxable to Montana and the employee must follow the general filing requirement. Additionally, this exclusion does not apply to nonresident employees who have other Montana source income. For example, a nonresident employee worked in Montana for 15 days. The nonresident also has a rental property located in Montana. This nonresident's wages and rental income are taxable to Montana. Do not complete Form MW-4 if you meet the criteria for the filing exclusion.

Employer Instructions

Montana wage withholding is required when wages are earned in Montana. Employers are liable for Montana withholding taxes and are only relieved of that liability once they have withheld the correct amount of taxes from the employees' wages for a given pay period.

Newly hired employees must complete this form when they begin working for you. Employees claiming to be exempt from Montana wage withholding must complete this form when they begin working for you and every year thereafter. Employees may file a new Form MW-4 if their personal or financial situation changes.

Keep the copies of all Forms MW-4 you receive from your employees with your records.

Line Instructions

Lines 1 and 2. If the employee does not complete lines 1 or 2, and there is not an amount on line 4, withhold Montana tax as if the employee is using the single filing status on line 1a.

Line 3. Lines 1 or 2 must be complete if there is an amount on this line. If the employee does not complete lines 1 or 2, withhold Montana tax as if the employee is using the single filing status on line 1a.

Line 4. Generally, employees should only complete lines 1, 2, and/or 3. If an employee completes this line, advise the employee to carefully review the instructions for line 4 in the Employer Instructions section.

Exemptions from Montana Withholding

You must file your employee's Form MW-4 with the department if the employee is claiming one of the withholding exemptions listed on line 5. The form is due to the department by the last day of the payroll period in which the form was received and annually thereafter by January 31.

File online using the department's TransAction Portal (TAP) at <https://tap.dor.mt.gov>. Simply click on "File Form MW-4." Do not mail the Form MW-4 to the department.

If an exemption is claimed on line 5a or 5b, you must withhold taxes on any wages paid that do not meet the requirements of these exemptions.

Example: If 5a is marked, the exemption does not apply to wages earned from an enrolled member of a tribe, residing on his or her reservation, when the work is performed outside the reservation. Withholding is required on the wages derived from work performed outside the reservation, based on the filing status on line 1 or 2. If line 1 or 2 is not completed, the withholding is calculated using the single filing status until a new Form MW-4 is provided for the calculation of the withholding.

Thirty-Day Nonresident Wage Withholding Exclusion. Employers are not required to withhold on the wages of nonresident employees if the employee worked in Montana for less than 30 days and worked in more than one state. These employees do not need to complete a Form MW-4.

The exclusion does not apply to nonresident employees who:

- work in Montana for more than 30 days
- work only in Montana
- are professional athletes
- are entertainers
- are persons that perform services for compensation on a per-event basis
- are construction workers
- are key employees (Key employees are employees that had an annual salary of more than \$500,000 in the year preceding the current tax year.)
- are qualified production employees for the purposes of the MEDIA Credit.

Additionally, nonresident employees with other types of Montana source income do not qualify for this exemption.

If an employee does not meet the conditions above, the employee must complete a Form MW-4 and the employer must begin withholding when the employee starts working in the state.

Invalid Forms MW-4

A Form MW-4 is invalid if the form is incomplete or lacks the necessary signatures. If your employee's Form MW-4 is invalid or incomplete, withhold Montana tax as if the employee is single.

Veteran Directed Care Program

ATTENTION ALL EMPLOYEES, EMPLOYERS, AND AGENCIES

ARIS Solutions' Veteran Directed Care Program utilizes a submission platform on our website as one means for timesheet submission. We felt it may be helpful to provide clarifying information to address some of the questions we have received.

- **The web address to access the new portal is:**
arissolutions.org/submit-timesheet
- **This change is only applicable to those who had been submitting timesheets via email.** Those who send in timesheets via fax, USPS, or via e-timesheets may continue.
- **The portal is for timesheet submissions only.** Please continue to send invoices, packets, and general correspondence through the email address.
- **Submissions may be made by either the employer or the employee.**
- **All timesheet submissions must be entered under the name of the employee.** Entries may not be entered under the name of the employer or veteran.
- **Please send only one timesheet per submission.**
- **Each submission should include a timesheet for only one employee.** Submissions containing multiple employees are not permissible.
- **There will be no email confirmation.** Instead of an email, a unique code will appear on your screen once a timesheet has been successfully submitted.
- **The new timesheet portal requires a pass code, but not a log-in.** If you have been asked for log-in information, then you have likely arrived at our electronic timesheet option. If you are interested in enrolling in e-timesheets, please reach out to veteran payroll customer service for assistance.
