PROGRAM INTEGRITY and FRAUD PREVENTION

Maintaining and improving program integrity is one of the most important aspects of the Veteran Directed Care Program. Program integrity including fraud prevention is critical to sustaining this program model. Participants, authorized representatives, and providers are vital to preventing fraud and maintaining program integrity.

Fraud and abuse with funds from the Veteran's Administration can cost billions of dollars each year, diverting funds that could otherwise be used for additional services or to assist more people that need care. As a participant, authorized representative, care provider or recipient of funds, you must comply with all State and Federal laws and prevent misuse or fraud of any funds within this programs. Honesty and integrity are expected of all who participate in the Veteran Directed Program. (Please refer to the New "Employer/Participant" Handbook for more detail on fraud within the Veteran Directed Care Program)

Definition

Fraud is defined as **recklessly or purposefully** making false statements or representations to obtain some benefit or payment that you would not be entitled to without those statements or facts. These acts may be committed either for the person's own benefit or for the benefit of someone else. In other words, fraud includes the obtaining of something of value through misrepresentation or concealment of facts.

Examples of Fraud and Abuse Include

- Submitting timesheets for services not actually provided
- Approving/authorizing hours that employees didn't actually work
- Recording more time or stating different times than you actually work
- Changing hours on a timesheet after it has been approved
- Not providing the services the participant needs
- Falsifying a worker's compensation claim
- Falsifying or misrepresentation on applications or documentation
- Billing for services while in the hospital or other care facility
- Submitting twice for the same service
- Requiring an employee to "share" their paycheck with the employer

Results

Fraud is a felony conviction that can lead to substantial penalties, including imprisonment up to ten years, or a fine of up to \$1,000 or an amount equal to twice the amount of assistance or benefits wrongfully obtained, or both. If convicted of fraud you may be excluded for a minimum of five years from any employment with a program or facility that receives Medicaid funding.

REPORTING

If you suspect or know of fraud or abuse occurring, it is your duty and responsibility to report this immediately to the Area Agency on Aging and the Veteran's Administration. Or call ARIS Solutions at 866.970.3301 and the proper people will be contacted.

HIPAA EMPLOYEE CONFIDENTIALITY PRIVACY INFORMATION AND AGREEMENT

SUMMARY OF HIPAA PRIVACY RULES FOR EMPLOYEES

The Department of Health and Human Services has adopted privacy regulations under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). These "Privacy Rules" require most doctors, hospitals and health insurers ("Covered Entities") to develop procedures to limit the use and disclosure of patients' protected health information ("PHI") as well as notify patients of their rights with respect to such information.

In order to comply with the Privacy Rules, each Covered Entity must develop and implement its own privacy policy and procedures for the protection of PHI by April 14, 2003. However, in many ways, these policies will simply reflect the "best practices" for patient privacy and confidentiality with which all health care workers should already be familiar.

Privacy of Patient Information

Although temporary personnel are likely to encounter some variations among privacy policies at different Covered Entities, all the policies should permit them (with a few exceptions) to:

- Disclose PHI to the patient himself (or to a child's parent or guardian).
- PHI may also be disclosed to a person involved in the patient's care, such as an elderly patient's adult child or friend who is acting as interpreter, as long as the patient doesn't object.
- There are few exceptions, such as psychotherapy notes in some states.
- Disclose PHI in accordance with a written patient authorization.
- Use or disclose PHI for purposes of treatment, payment or health care operations.
- Treatment purposes: **There are no restrictions on disclosures of PHI for purposes of treating a patient.** Medical staff may freely discuss a patient's treatment among themselves.
- Other Purposes: However, disclosures of PHI for purposes of obtaining payment or for administering health care operations should be limited to the "minimum necessary" to accomplish the purpose. For example, although a hospital's billing office may inform a collection agency that "Patient X owes \$Y to Doctor Z", it may not disclose the nature of treatment Patient X received.
- Disclose "general directory information" about the patient.
 - o A hospital may provide general information about a patient's status (excluding specific medical information) to telephone callers.
- Disclose PHI as required by law, or regarding potential victims of abuse, neglect or domestic violence, or to avoid a serious threat to health or safety.
 - o For example, a hospital may respond to a police inquiry by disclosing that is treated a patient for a gunshot wound, and a doctor or nurse may report an abused child to the proper authorities.

If you are asked to make any disclosures which violate these guidelines, or which do not seem to you like professional "best practices", you should contact ARIS Solutions/VDC Program.

(However, you should be aware that reasonably unavoidable disclosures which are "incidental" to permitted uses of PHI do not violate the Privacy Rules. For example, a hospital does not violate the Privacy Rules if a visitor improperly removes a covered or inward-facing patient chart from its holder and reads it, and a pharmacist may discreetly discuss a prescription with a customer at the pharmacy counter, even though other customers might overhear).

Background Check Exclusions

All Employees are required to undergo and pass a background check in accordance with the Veterans Administration (VA) and state policies as specified by the VDC provided to be designated as a Veteran's representative.

Per VA policy, any representative candidate who has a felony conviction for fraud, abuse and/or exploitation for an individual of any age, the worker may never work for a Veteran enrolled in VDC.

There may be additional disqualifying convictions depending on the state. These will be evaluated based on state policies which are consistent with state policy for hiring personal assistants in Medicaid HCBS waiver program for older adults and adults with disabilities.

If any of the convictions or substantiations listed below on either of the background checks, the ARISFMS will inform the Veteran (through the agency) that the prospective employee cannot be hired by the Veteran to work in this program, or if a waiver or risk mitigation plan will be needed. This is based on the policy listed in the CPWD Veterans Handbook.

Potential issues include:

- Felonies related to manufacture, distribution, prescription or dispensing of a controlled substance
- Felony conviction for abuse, neglect, assault, battery, criminal sexual conduct (1st, 2nd or 3rd degree), fraud or theft against a minor or vulnerable adult
- Felony or misdemeanor patient abuse
- Felony or misdemeanor involving cruelty or torture
- Misdemeanor health care fraud
- Misdemeanor for abuse, neglect, or exploitation of a minor or disabled adult; physical or sexual assault, violence, theft, fraud, threatening or reckless conduct
- Driving under the influence of drugs or alcohol
- Substantiated allegation of abuse, neglect or exploitation.
- Any other conduct that represents evidence of behavior that could endanger the safety or well-being of an individual.

Additional factors considered in determining suitability may include, but not limited to:

- Relevance of the crime to the position sought;
- The nature of the work and/or activity to be performed;
- Time elapsed since the conviction;
- The number of offenses;
- Whether the individual has pending charges;

Employee's Withholding Certificate

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.

Give Form W-4 to your employer.

Your withholding is subject to review by the IRS.

Enter
Personal
Information

(a) First name and middle initial	Last name	(b) Social security number
Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
City or town, state, and ZIP code		
(c) ☐ Single or Married filing separately ☐ Married filing jointly or Qualifying surviving spouse ☐ Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		
Caution: To claim certain credits or deductions on your tax return, you (and/or your spouse if married filing jointly) are required to have a social security number valid for employment. See page 2 for more information.		

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if you: are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2:
Multiple Jobs
or Spouse
Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than Step 2(b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, Step 2(b) is more accurate ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3:
Claim
Dependent
and Other
Credits

If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):

(a) Multiply the number of qualifying children under age 17 by \$2,200 **3(a)** \$

(b) Multiply the number of other dependents by \$500 **3(b)** \$

Add the amounts from Steps 3(a) and 3(b), plus the amount for other credits. Enter the total here **3** \$

Step 4:
Other
Adjustments

(a) **Other income (not from jobs).** If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income **4(a)** \$

(b) **Deductions.** Use the Deductions Worksheet on page 4 to determine the amount of deductions you may claim, which will reduce your withholding. (If you skip this line, your withholding will be based on the standard deduction.) Enter the result here . . . **4(b)** \$

(c) **Extra withholding.** Enter any additional tax you want withheld each pay period . . . **4(c)** \$

Exempt from
withholding

I claim exemption from withholding for 2026, and I certify that I meet **both** of the conditions for exemption for 2026. See *Exemption from withholding* on page 2. I understand I will need to submit a new Form W-4 for 2027 . . . ☐

Step 5:
Sign
Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2026 if you meet both of the following conditions: you had no federal income tax liability in 2025 **and** you expect to have no federal income tax liability in 2026. You had no federal income tax liability in 2025 if (1) your total tax on line 24 on your 2025 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2026 tax return. To claim exemption from withholding, certify that you meet both of the conditions by checking the box in the *Exempt from withholding* section. Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 16, 2027.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount of tax withheld will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain credits. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4.

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 15, if you expect to claim deductions other than the basic standard deduction on your 2026 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for qualified tips, overtime compensation, and passenger vehicle loan interest; student loan interest; IRAs; and seniors. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain deductions. For additional eligibility requirements, see Pub. 501.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe when you file your tax return.

Step 2(b) – Multiple Jobs Worksheet *(Keep for your records.)*

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 5. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____

- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
 - a** Find the amount from the appropriate table on page 5 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a **2a** \$ _____

 - b** Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 5 and enter this amount on line 2b **2b** \$ _____

 - c** Add the amounts from lines 2a and 2b and enter the result on line 2c **2c** \$ _____

- 3** Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. **3** _____

- 4 Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in **Step 4(c)** of Form W-4 for the highest paying job (plus any other additional amount you want withheld) **4** \$ _____

Step 4(b)—Deductions Worksheet *(Keep for your records.)*

See the Instructions for Schedule 1-A (Form 1040) for more information about whether you qualify for the deductions on lines 1a, 1b, 1c, 3a, and 3b.

The *Employee's Withholding Allowance Certificate* (DE 4) is for **California Personal Income Tax (PIT)** withholding purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

As of January 1, 2020, the *Employee's Withholding Allowance Certificate* (Form W-4) from the Internal Revenue Service (IRS) is used for federal income tax withholding **only**. You must file the state form DE 4 to determine the appropriate California PIT withholding.

If you do not provide your employer a completed DE 4, your employer must use Single with Zero withholding allowance.

Check Your Withholding: After your DE 4 takes effect, compare the state income tax withheld with your estimated total annual tax. For state withholding, use the worksheets on this form.

Exemption From Withholding: If you wish to claim exempt, complete the federal Form W-4 and the state DE 4. You may claim exempt from withholding California income tax if you meet both of the following conditions for exemption:

1. You did not owe any federal and state income tax last year, and
2. You do not expect to owe any federal and state income tax this year.

If you continue to qualify for the exempt filing status, a new DE 4 designating **exempt** must be submitted by February 15 each year to continue your exemption. If you are not having federal and state income tax withheld this year but expect to have a tax liability next year, you are required to give your employer a new DE 4 by December 1.

Member Service Civil Relief Act: Under this act, as provided by the Military Spouses Residency Relief Act and the Veterans Benefits and Transition Act of 2018, you may be exempt from California income tax withholding on your wages if

- (i) Your spouse is a member of the armed forces present in California in compliance with military orders;
- (ii) You are present in California solely to be with your spouse; and
- (iii) You maintain your domicile in another state.

If you claim exemption under this act, **check the box on Line 4**. You may be required to provide proof of exemption upon request.

The *California Employer's Guide (DE 44)* (edd.ca.gov/pdf_pub_ctr/de44.pdf) provides the income tax withholding tables. This publication can be found by visiting Payroll Taxes - Forms and Publications (edd.ca.gov/Payroll_Taxes/Forms_and_Publications.htm). To assist you in calculating your tax liability, visit the Franchise Tax Board (FTB) (ftb.ca.gov).

If you need information on your last *California Resident Income Tax Return* (FTB Form 540), visit the FTB (ftb.ca.gov).

Notification: The burden of proof rests with the employee to show the correct California income tax withholding. Pursuant to section 4340-1(e) of Title 22, California Code of Regulations (CCR) (govt.westlaw.com/calregs/Search/Index), the FTB or the EDD may require an employer to submit a Form W-4 or DE 4 when such forms are necessary for the administration of the withholding tax programs.

Penalty: You may be fined \$500 if you file, with no reasonable basis, a DE 4 that results in less tax being withheld than is properly allowable. Criminal penalties apply for willfully supplying false or fraudulent information or failing to supply information requiring an increase in withholding. This is provided by section 13101 of the California Unemployment Insurance Code (leginfo.ca.gov/faces/codes.xhtml) and section 19176 of the Revenue and Taxation Code (leginfo.ca.gov/faces/codes.xhtml).

Worksheets

Instructions — 1 — Allowances*

When determining your withholding allowances, you must consider your personal situation:

- Do you claim allowances for dependents or blindness?
- Will you itemize your deductions?
- Do you have more than one income coming into the household?

Two-Earners or Multiple Incomes: When earnings come from more than one source, under-withholding may occur. If you have a working spouse or more than one job, it is best to check the box "Single or Married (with two or more incomes)." Figure the total number of allowances you are entitled to claim on all jobs using only one DE 4 form. Claim allowances with **one** employer.

Do **not** claim the same allowances with more than one employer. Your withholding will usually be most accurate when all allowances are claimed on the DE 4 filed for the highest paying job and zero allowances are claimed for the others.

Married But Not Living With Your Spouse: You may check the "Head of Household" marital status box if you meet all of the following:

- (1) Your spouse will not live with you **at any time** during the year;
- (2) You will furnish over half of the cost of maintaining a home for the entire year for yourself and your child or stepchild who qualifies as your dependent; **and**
- (3) You will file a separate return for the year.

Head of Household: To qualify, you must be unmarried or legally separated from your spouse and pay more than 50 percent of the costs of maintaining a home for the **entire** year for yourself and your dependent(s) or other qualifying individuals. Cost of maintaining the home includes such items as rent, property insurance, property taxes, mortgage interest, repairs, utilities, and cost of food. It does not include the individual's personal expenses or any amount which represents value of services performed by a member of the household of the taxpayer.

Instructions — 2 — Additional Withholding Allowances (Optional)

If you expect to itemize deductions on your California income tax return, you can claim additional withholding allowances. Use Worksheet B to determine whether your expected estimated deductions may entitle you to claim **one or more additional** withholding allowances. Use last year's FTB Form 540 as a model to calculate this year's withholding amounts.

Do not include deferred compensation, qualified pension payments, or flexible benefits, etc., that are deducted from your gross pay but are not taxed on this worksheet.

You may reduce the amount of tax withheld from your wages by claiming one additional withholding allowance for each \$1,000, or fraction of \$1,000, by which you expect your estimated deductions for the year to exceed your allowable standard deduction.

Fair Labor Standards Act Live-In Exemption Form

Fair Labor Standards Act Live-In Exemption

The United States Department of Labor (US DOL) and Fair Labor Standards Act (FLSA) requires household employers to pay employees overtime pay for hours worked over 40 hours per work week unless the employee qualifies for an exemption. Complete this form to notify F/EA if employee qualifies for the live-in exemption from overtime pay. You may also use this form to revoke the exemption when the employee no longer qualifies for the exemption. **When there is any change in live-in status, it is the employee's responsibility to notify the F/EA.**

1. Determine if Direct Care Worker (DCW) Qualifies for the Live-In Exemption from Overtime Pay

The live-in exemption:

- Available only in programs where the Participant or their representative is the sole employer under the FLSA;
- Applies only to the employer/DCW pair based on the "Residency Test" (below); and
- Applies to all services provided by the DCW for that Participant.

Residency Test

A live-in DCW is exempt from overtime premium pay if the DCW "...resides on the employer's premises either permanently or for extended periods of time". "Employer's premises" means the household where employed. "Permanently", or "...extended periods of time" means the DCW lives, works, and sleeps in the household where employed for at least five (5) days a week (120 hours) or more.

2. Certify the DCW's Eligibility for the Live-In Exemption from Overtime Pay

Please check one box below to identify whether the DCW qualifies for the live-in exemption.

- ☐ Yes, the DCW qualifies for the live-in exemption.
- ☐ No, the DCW does NOT qualify for the live-in exemption.

If the DCW qualifies for the live-in exemption:

- All hours, including overtime (over 40 hours per work week), will be paid at regular rates for all services provided

Employee Confirmation of Receipt: Paid Leave Accrual

I, _____, understand that being employed in California grants access to **Paid Sick Leave** hours for all employees. Included below is information regarding this State mandated Paid Sick Leave and how it works.

- *Your employer is responsible for outlining their determined Paid Sick Leave policy.*
- *There is a 90-day employment waiting period to use paid leave, once reached you can use that time.*
 - *You are paid your current hourly rate when using time.*
 - *Claiming hours is for absences during **regularly scheduled work shifts**.*
 - *Please refer to the FAQ within these documents for qualifying events to use paid sick leave for.*
- *If you are separated from employment with your employer and rehired within 12 months with the same employer, you shall be entitled to any previously accrued time.*
- *Upon separation of employment, you will not be entitled to be paid for any accrued leave time.*

On my first day of employment, the required 90-day employment period before use of paid sick leave can begin.

I understand and acknowledge that as an FMS Provider, ARIS Solutions, **is not** my employer.

About the Electronic Timesheets Module

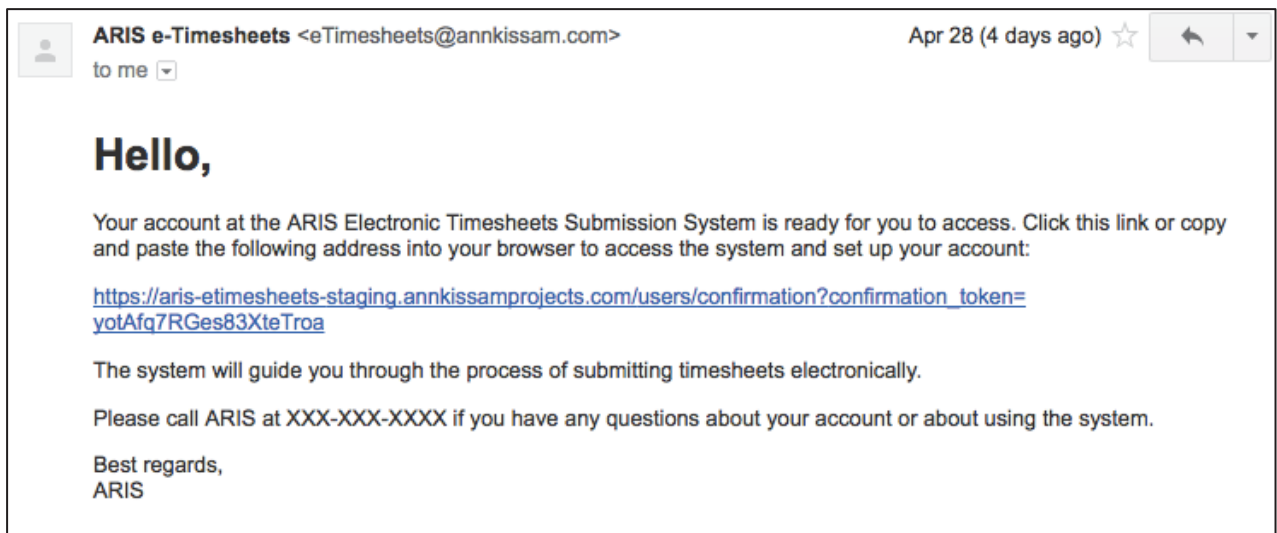

The Electronic Timesheets Module is a web-based interface through which Consumers, Employers, Representatives and Employees can respectively enter and view relevant timesheet information.

Electronic Timesheets Agreement

In order to use the Electronic Timesheets Submission interface, a Consumer, their Representative or Employer (if applicable) and their Employee must sign an Electronic Timesheets Agreement which states that they both have valid e-mail addresses, and agree to use the electronic timesheets submission interface as a method of submitting time.

Getting Started

1. An admin will create a user for the Consumer, Employer, Employee and Representative (if applicable).
2. The Consumer, Employer, Employee and Representative (if applicable) will each receive an e-mail alerting them that their account has been set up, and instructions for activating this account. Each user will click a one-time login link that expires after access to set up a password.

- Each user will be prompted to accept the Terms of Service, and set up a password for their account.

Veteran Directed Care Program

ATTENTION ALL EMPLOYEES, EMPLOYERS, AND AGENCIES

ARIS Solutions' Veteran Directed Care Program utilizes a submission platform on our website as one means for timesheet submission. We felt it may be helpful to provide clarifying information to address some of the questions we have received.

- **The web address to access the new portal is:**
arissolutions.org/submit-timesheet
- **This change is only applicable to those who had been submitting timesheets via email.** Those who send in timesheets via fax, USPS, or via e-timesheets may continue.
- **The portal is for timesheet submissions only.** Please continue to send invoices, packets, and general correspondence through the email address.
- **Submissions may be made by either the employer or the employee.**
- **All timesheet submissions must be entered under the name of the employee.** Entries may not be entered under the name of the employer or veteran.
- **Please send only one timesheet per submission.**
- **Each submission should include a timesheet for only one employee.** Submissions containing multiple employees are not permissible.
- **There will be no email confirmation.** Instead of an email, a unique code will appear on your screen once a timesheet has been successfully submitted.
- **The new timesheet portal requires a pass code, but not a log-in.** If you have been asked for log-in information, then you have likely arrived at our electronic timesheet option. If you are interested in enrolling in e-timesheets, please reach out to veteran payroll customer service for assistance.
